Commerce Marketing Gurus: Top 2016 Trends

According to our experts, 2016 will be the year of mastering personalisation with segmentation, social strategy and tailored customer experience. Like the Bronto experts' predictions on how you can customise your upcoming campaigns to meet customers' expectations. Source: Bronto [Contact us](#) for further info

Belt and Road Portal

HKTDC has created a portal that includes economic profiles of **65 Belt and Road economies**, official policy documents, and links to official sources with listings of investment projects. [Contact us](#) for further info

The challenge keeping up with trends: The hexo+ arrived on the market this month. This is a drone that wirelessly tethers its self to a smart phone and follows you anywhere. As a business you may not have a need for drone following you around, but there may be times it could be valuable. Source John Stanley Associates: [Contact us](#) for further info
